

The Junior League of Greater Lakeland is proud to host our 2nd Annual

benefiting the Greater Lakeland community. This event is part of the League's Clothe the Community initiative, where we are collaborating with schools and other organizations to develop a sustainable model for clothes and resources distribution. This 5-day social media initiative harnesses the networks of our members to raise awareness of poverty of our community's children and teens, illustrates how limited resources affect daily life, and raises funds to Clothe our Community by providing school uniforms, socks, underwear, and bras for our children and teens in poverty.

We welcome local businesses to support their individual League Member, while still receiving the recognition of a League Partner. The member you are supporting will receive credit towards their total in the amount of your donation.
