WHY GIVE TO JLGL?

For 92 years, the Junior League of Greater Lakeland (JLGL) has advocated for the betterment of our community. From the Ashley Gibson Barnett Museum of Art, formerly known as the Polk Museum of Art, and the Polk Theatre, to Achievement Academy and Learning Resource Center, the League's effort, vision, and fortitude can be credited with many of our community's finest gifts.

Annually, our members take advantage of opportunities to learn, grow, and lead. Through youth literacy outreach programs, Clothe Our Community, and community partnerships, JLGL cultivates a love of service and a giving spirit. We boast public officials, stay-at-home-moms, Polk Emerging Leaders, business owners, and more. Because of JLGL, the community receives trained leaders who are poised to contribute and make a difference.

COMMUNITY IMPACT

Because of the generosity of partners like you, we are able to carry out our initiatives and address critical needs within our community. The true impact of our work is seen in the confidence, dignity, and sense of belonging it fosters among the women and children we serve. At the same time, we recognize the power of measurable outcomes. Over the past year, we have distributed:

Over 800 Toiletry Kits

to the HEARTH program benefitting Polk County Students.

8,000 Scholastic Books

through our Community Programs:
Reading is Fundamental and World of Reading.

\$15,000 in Uniform Grants

to Elementary Schools with high populations of transient students.

THE JUNIOR LEAGUE BUILDING

PRESERVING HISTORY, STRENGTHENING COMMUNITY

Built in 1927, our historic Junior League of Greater Lakeland building first served as the home of Lakeland's earliest women's organization, the Sorosis Club. For nearly a century, it has stood as a symbol of women's leadership, civic progress, and community connection. Purchased outright by our League in 2005, the building remains a vibrant cornerstone of service and collaboration in downtown Lakeland.

COMMUNITY USE & RENTALS

Beyond League meetings and programs, our building serves as a welcoming space for the wider community. With its timeless character and central location, it provides an ideal setting for weddings, celebrations, and professional gatherings. Rental income not only helps maintain the building but also extends its impact by keeping it accessible as a true community resource.

BUILDING PRESERVATION FUND

As the building approaches its 100th anniversary, we are committed to ensuring its beauty and structural integrity for generations to come. Through our Building Preservation Fund, donors play a vital role in maintaining this historic treasure while sustaining a legacy of service. Contributions directly support essential upkeep, restoration, and modernization that allow the building to remain both functional and inspiring.
